... though our days at leyden mean fun, friendship, and of course happy experiences, they must also contain studying and learning. in connection with this serious side of school, leyden has a number of honorary clubs and groups from which a student may gain a broadened knowledge ... studies are an important part of life at leyden and it is to these hours of hard work in gathering knowledge that we devote these next few pages

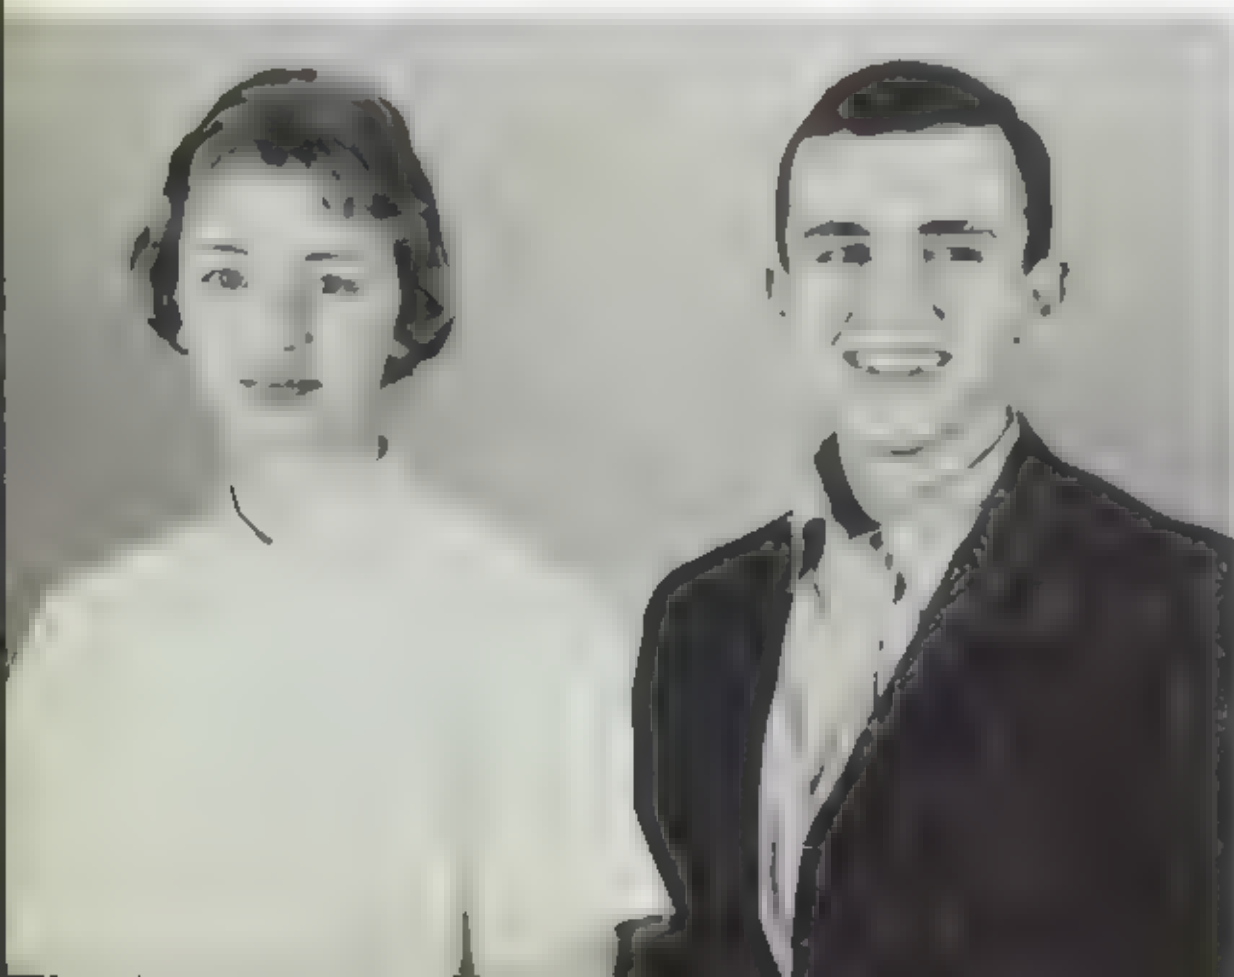

#### ... Jean and Mark

Mara Eugenia Eyres, from mar del plata, argentina and Marcos da Silva from brazil are our two foreign exchange students this year at east leyden. Jeanie (Maria) came to us at the beginning of the year she is living with Mr. and Mrs. Glen Phillips and family. Johanna Phillips is a junior at leyden. Mark Marcos arrived at the beginning of the second semester this year. He is living in the home of Mr. and Mrs. John Bianchi. Tom Bianchi is also a junior.

This girl and boy have done much to broaden our views on foreign countries. they have taught us about south american schools, government, pass times, and customs. east leyden students hope we have done as much for Jeanie and Mark's views of america.

#### ... semi-finalists

the same program which sent us Jean and Mark also enables our country to send our students to other countries. this american field service program selected 2,500 semi-finalists from 7,000 applications. two of these semi-finalists were from east leyden. they were Barb Trumbull and Tom Bianchi, both juniors this year. they were chosen on the background of personality, maturity, independence, language background and of chronological standing.

... in memoriam

In memoriam this page is dedicated to Mrs. Helen Grace St. John, who served East Ayden high school for sixteen years as a devoted teacher, librarian, and friend of both faculty and students as well as an invaluable help in the library. Our school suffered a great loss when she passed away.

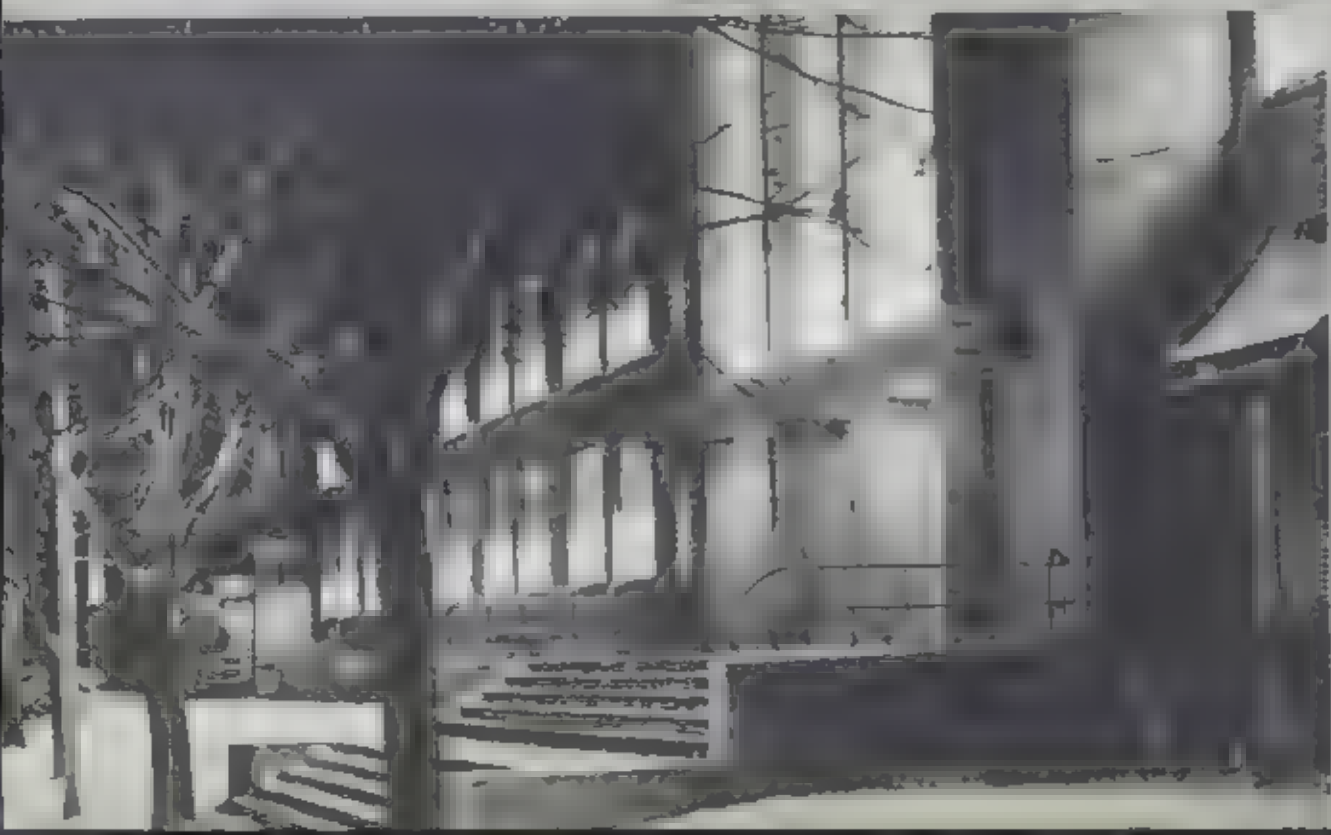

back to the front

senior a small word to describe a lot of responsibility for it will be these seniors who will carry the name of the school to the far corners of the world with dignity and pride. It will be these seniors who will fight to keep us free and even give up their lives if need be. These seniors will mold the future. The wind with tireless hands they will carry the faith of a nation on their shoulders.

My friend and I with my friend

Dear Ching,

We sure have had some great times in the past few years, especially this past year. I hope we can always stay the best of friends. Even after we're married and remember you're going to be my maid of honor. Don't let Bullwinkle get you down. Someday he'll come to the realization of how great you really are. Best of luck in the future and in your remaining years at Lyden. (Hope you graduate) Maybe you'll be a career girl someday.

Love

Always

Kathy

Dear Diane,

It was real nice having you in Clothing this year. You're really a lot of fun. I hope you are in more of my classes next year. Best of luck always in your future years at Lyden.
